## Safety Topic of the Month—Severe Weather

It's that time of the year again.....a lot of DOW employees work in the evening when these storms are so prevalent. Please stay aware of the weather and pay close attention to all storm warnings. Stay safe out there!

### *Health Hero goes to Kay Doggett*

Kay Doggett is our Health Hero Award Winner at Drew Memorial Health Systems in Monticello. Since starting here for DOW in December, she has been an exceptional employee.

According to Samantha Kilgore, Environmental Services Director, “Kay is always willing to help where help is needed and she is always eager to learn other roles in this department”. Sam goes on to say, “she always asks if there are things that she needs to work on and accepts any tasks given to her with a smile”.

Thank you Kay for all that you do here with us at Drew Memorial Health Systems. We're proud for you to receive this recognition!

## Employee Shout-Outs

*Here's an email from Selina Wood, Firm Administrator at PPGMR/Swan Harbor sent to Area Manager, Sonya Smith.....*

**"I wanted to let you know that our cleaner found my ring that slipped off my finger under my desk near my trash can last Thursday evening. She put it on my desk for me. I wanted you to know that she did this! I also know that someone else in my office had taken her wedding ring off at another time and accidentally left it on her desk, and it was there the next day! So..... wanted you to know that we are proud of her".**

*That cleaner is Kimbria Wilson, and your fellow employees are proud of you too. Way to go Kimbria!*
