## Janus Award Winner is Lisa Stevens

Congratulations to Lisa Stevens, our 2nd Quarter Janus Award winner! Lisa has been working for DOW since August, 2015.

Andrew Klich, Hot Springs Area Manager, has this to say about her. "Lisa has always been a very dependable Supervisor at the Hot Springs branch. She has shown the ability to fill in any place she is needed and provides exceptional service in everything she does".

David Roark, the Administration Support Person in Hot Springs says this about Lisa. "Lisa is a person that will do whatever needs to be done. When I come to her with a customer concern, she takes that concern and goes and fixes it. She is a great Supervisor and I would like to say that Lisa is a person I enjoy working with".

The staff at the Hot Springs Office would like to say, "Thank you for all of the hard work you put in every day, you are deeply appreciated". Congrats!

## Employee Shout-Outs

The following letter is from our boss, Jason Barnes, Sr. Facility Manager at Baxter Healthcare in Mountain Home, thanking all the DOW employees who worked side by side with the Baxter employees to assist in the flood clean-up. I hope you can read it.....

In addition, following Jason's note is an e-mail to Bill Porterfield, Site Manager from Jeff Dunn, Plant Manager echoing Jason's praise.

Kudos to the Baxter Team for this well earned recognition from the people who matter the most. Great job, guys!

## SAFETY TOPIC OF THE MONTH

I don't normally sing the blues when it comes to summertime unless the thermometer reads like the one at the bottom of this article. The truth is we are never really happy; in the winter we want spring, and in the heat of the summer, we can't wait for the cool breezes of fall.

Just knowing that it can be very dangerous in the middle of an Arkansas summer is not enough. We really need to take heed of some very simple tips to keep all of us safe.

- Drink lots of water throughout the day whether you feel thirsty or not.
- Wear lightweight, light colored, and loose fit clothing.
- Avoid caffeine, heavy meals, and too much alcohol.
- Stay out of the sun whenever possible and always remember to use sunscreen.

Follow these few tips to stay as safe as possible this summer. Just remember, it's going to get very hot out there!

Guys,

I wanted to echo Jason's thank you and recognize the entire DOW team in their extraordinary efforts to recover from the flood situation. Your teamwork with our Baxter employees saved valuable time in lost production.

Thanks again,  
Jeff

His Area Manager, Sonya Smith says this about Herman. "He is a very good worker who is very dependable and keeps the building looking good. He comes to work on time and always lets his Supervisor know when he needs supplies. He keeps his janitor closet looking good too".

Sonya goes on to say, "Herman has worked in other buildings for DOW and no matter where he is, he always does good work. Herman's a keeper".

Congratulations!

on her in a big way to set the example for other employees, including how they take care of their assigned vehicles".

## Clean Closet Award goes to Misty Gardner

Misty Gardner is our Clean Closet Award Winner. Misty has only been with DOW at the Springdale branch a few months. She cleans the Ozark Guidance Bentonville campus. Misty is also a neighbor because she works her day job across the street from our office.

The Bentonville campus for Ozark Guidance was a new account to us when Misty started with DOW. Ramona Meeker, NWA Area Manager says great things about Misty. "She's done wonders with getting the closet straightened up and keeping it nice and neat. In addition, she has just been an awesome employee! We appreciate all Misty does for us".

Misty Gardner

~Thank you, Ramona
