Years in a Row!

of Biz**  
Arkansas Business 2018

**THANKS TO ALL FOR VOTING US LEADER OF THE PACK**

As long time co-workers, it is with great sadness that we say goodbye to William "Jared" Moore.

Jared worked for DOW as a full-time Floor Tech on the Medical Side from December 1, 2006 until May 5, 2017. Jared was a fun guy to work with who would do whatever was asked of him whether he wanted to or not, LOL. You could always count on Jared.

He left us in May of 2017 due to his ongoing battle with cancer. He fought long and hard, but unfortunately he passed from this earth on November 16, 2018 at 36 years old. Jared left quite an impression on everyone at DOW who was lucky enough to know him and work with him.

Our deepest sympathy goes out to his family as we express our sincere condolences. Rest in Peace, Jared.

## Health Hero is Kauwyana Yancy

**Kauwyana Yancy**

Meet Kauwyana Yancy. She works for DOW at the DaVita Dialysis Clinic in Sherwood. She has been with us since May of 2017 and has been a great hire since then.

According to her Area Supervisor, Kendrick Cross, "Kauwyana is an excellent worker and very dependable. I can count on her to always do her very best". Congratulations!

**There's 90 years of cleaning experience in this pic: Larry, Peggy, and Dow. Gosh, they're old, lol**

Here's a Shout Out to Allen Green for completing his IICRC Certification. Allen did so well, he was hand picked to attend a Leadership Workshop in Las Vegas, NV. Congratulations, Allen!

## Employee of the Month is Greg Channell

To start off the new year, congratulations goes out to Greg Channell for being named the Employee of the Month.

Greg works as a full-time Floor Tech for DOW based out of our Jonesboro branch, and he's been with us since May of 2013.

Kristin West, Jonesboro Area Manager says all good things about Greg. "Greg is my go to guy who I can always count on to

get the job done, big or small. I don't know what I would have done without him on this big start up this past month". She goes on to say, "his work ethic is amazing and he won't quit till he gets the job done. He's my kind of guy".

Way to go, Greg. You are most deserving!

Greg Channell

## Anthony Triplett wins the Clean Vehicle Award

Anthony Triplett

January's Clean Vehicle Award winner is Anthony Triplett . "Trip" as he's known around here works as our lead full-time day floater out of the North Little Rock office.

He's a man on the move around Central Arkansas so he always makes certain he is driving a clean vehicle, not just on the outside, but the inside as well. He takes pride in his work and that's exactly how he feels about the vehicle

he's drives. We are very glad to have this guy on our Team.

Thanks, Trip for all you do!

## Clean Closet Award goes to Sammi Webb

The Clean Closet Award goes to Samantha Webb. "Sammi" is a full-time day float for DOW out of the Springdale office, and she cleans the Old Building Monday, Wednesday and Friday and does other various tasks throughout the week in and around town.

Ramona Meeker, NWA Area Manager says "it is very important to Sammi that her closet and equipment are clean at

all times. At the end of her shift, she cleans and puts up all of her supplies so it is ready for the next day".

Ramona added, "Sammi has been with us for over a year now, and we're very glad she's part of the Team here in Springdale".
