

DIVERSITY & Inclusion

NEWSLETTER

"Injustice anywhere is a threat to justice everywhere." – Martin Luther King, Jr.

"When I think about Diversity and Inclusion in the workplace, it brings a different thought process to how we operate each and every day. From the recruiting to onboarding to our involvement in local communities, Diversity and Inclusion is integrated in everything we do. Some of the most exciting moments are watching our community commitments come to life, with our engagement with Habitat for Humanity and supporting coat and food drives with local townships. Inclusion goes further if we all embrace the uniqueness we individually bring to the table and allow all voices to be heard"
